

DNA Trucking, Inc. Capability Statement (January 2009)

NAICS: 484220 –Hauling gravel, sand, earth materials

DNA Trucking Mission:

To provide cost effective earth materials and hauling services for commercial projects.

Who are we?

DNA Trucking is an experienced Houston-based dump truck company operating since 2002 founded by Art Pena. We are a locally owned and operated business.

What do we do?

We supply and deliver a variety of earth materials for commercial projects including:

- Cushion Sand
- Select Fill
- Washed Sand
- Washed Gravel
- Crushed Rock
- Flexible Base
- Builder's Stone
- Blended/Mixed Products

DNA Trucking offers professional excavation and hauling services. We meet any size excavation project and will locate a suitable dump site. DNA Trucking offers reliable dump truck hauling services at competitive rates. We are licensed, bonded and insured to provide safe and cost effective services .

DNA Trucking has earned a good reputation as a reliable hauling company with our clients.
